Short Self-Description:

"I'm a Cani woman, a trained Guild healer with four hears private practice. As an adventurer, I'm decent with a spear and Corpador magic. I'm pretty nervous about this adventure, but I'll do what I have to."

Background story:

(see the World Tree book, "Into the Verticals" and page 14)

Tactical Notes

Azliet is not a mighty fighter, though she has some training with a spear. If she is in combat and has effective comrades around, she will usually fight very defensively: full defensive stance, blocking with her shield (using her Expert Active Shield, which gives her the defense score with the +2s12; see page 157). She has practiced the Wild Attack combat option for those hopefully-rare situations where she has to try to hurt something in spite of the risk.

As an extra combat trick, Azliet's spear has a Pounding Bone spell bound to the tip; if she says a keyword when she stabs at someone (hit or miss) the spell will go off and start thumping them.

Azliet has a package of three spells bound to the word "danger fight", which will give her a bit of an edge in a combat.

Design Notes
